What's tobacco keeping you from enjoying?

Keeping up with the kids. Spending more time with friends. Working out at the gym. Whatever reasons you have for wanting to quit, QuitLine is here to help you achieve it. Since 1985, we've helped more than two million tobacco users kick the habit for good.

Medical Mutual's QuitLine

Support from a Quit Coach®

Talk with a coach by phone as little or as much as you need. Your coach knows what you're going through and is here to:

- Help you create a realistic quit plan
- Offer quit tips that really work
- Help you take advantage of complimentary* quit aids
- Discuss ways to overcome cravings and break through obstacles
- Provide advice and motivation if things get tough

Quit-tobacco Medications

Worried about fighting off cravings? We'll help you decide if prescription or over-the-counter medications might be right for you. Plus, we'll check to see if you qualify for complimentary* nicotine replacement therapy like patches or gum.

Quit Guide

This comprehensive booklet breaks down the five steps to quitting. Learn how to choose and prepare for your quit day, deal with cravings, select the appropriate quit medicine, control your environment and get social support.
